Subject:	Chief Scientist Office application

Gary, Ehud,

We have applied for a grant from the Israeli Chief Scientist Office.
They can fund a large portion of the R&D budget and are not asking for any equity in the company (only royalties on sales).

They asked all foreign shareholders to sign the attached document.

We should get a reply within a month or two and then can decide if we want to take the grant based on our funding situation.

Is there some one who can sign this?

Thanks,
Pavel.
